*Many of you have probably wondered, "How does my membership in CREW Network benefit me? My relationships are local, not national. Holly Nelson, CREW Network Board Member, will explain the myriad ways in which we all benefit from the work of our national organization, from monitoring trends, providing leadership training, producing white papers and playbooks, and sponsoring industry research.*

*One example of industry research Holly will also discuss is a groundbreaking benchmarking study conducted by CREW with the assistance of Cornell University Program in Real Estate, focusing on comparative data relative to the status of men and women in the industry.*
